Declaration co-funding

[1]**Project proposal:** Project title
Main applicant: Main applicant

Organisation name declares, as co-funder[2]:
- to have read and to endorse the project proposal;
- if the project proposal is awarded:
  - to participate and contribute to the project as described in the project proposal;
  - to fulfil all obligations regarding a prompt conclusion of the consortium agreement, unless otherwise stipulated in the Call for proposals in which the application will be submitted;
  - to agree to be mentioned on the NWO website.

Co-funder provides:
☐ co-funding in cash of € Amount in cash, excl. VAT
and/or
☐ co-funding in kind of € Amount in kind, excl. VAT.

If applicable: in the case of in cash co-funding in the form of a grant as referred to in Article 4:21(1) of the Dutch General Administrative Law Act, the co-funder shall make every effort to ensure that any conditions to be attached to the grant do not cause the applicant to breach the applicable NWO grant conditions.

Depending on the specific situation, VAT may be charged on the co-funding.

Specification of the in kind contribution:

Specification of in kind item or activity	Price or hourly rate	Number of hours (if applicable)	Total €

Please note that the Call for proposals specifies a maximum hourly rate and a maximum number of productive hours per year.

This declaration applies during the NWO assessment process. If the project proposal is granted, the declaration also applies during the duration of the project.
