

Statements and signature

1.1 By submitting this form I declare that:

Please confirm all statements by checking the boxes provided and complete the application by listing your name, place, and date. A signature is not required; you will need to again formally confirm the correctness and completeness of your application when submitting it in ISAAC.

- The applicants are appointed at their host institute for the duration of the application process and for the project that is applied for or (in case of a tenure track or fixed-term contract) they have included a statement from their employer guaranteeing that the project and all project members for whom funding has been requested, will receive adequate supervision for the full duration of the project.
- I, and all individuals and parties involved in this proposal, will comply with the nationally and internationally accepted standards for scientific conduct as stated in the *Netherlands Code of Conduct for Research Integrity 2018* (Universities of the Netherlands).
- I have discussed the final version of this proposal with all individuals mentioned in this proposal as (intended) consortium partners. All such individuals mentioned are aware of and agree with their role and intended contribution to the project, should this be awarded funding.
- All consortium partners mentioned in this proposal, especially the co-funders, have taken notice of the rules for this Call for proposals on Intellectual Property and publication (see section 5.1.6 of the call for proposals), including the conclusion of a consortium agreement between all consortium partners before the start of the project.
- I commit to the recommendations stipulated in the [National Knowledge Security Guidelines](#).
- I follow the NWO policy on [Research Data Management](#).
- I have completed the application form and appendices truthfully.
